### 3. ParentPay

- Still tricky for some parents to set up

**Action – Viola to get in touch with KOMPAN (GCC approved supplier) to enquire if quotation for trimtrail from 2017 is still valid or needs updating**

### 7. Still of interest

- PeC enquired about the potential to work together with the Gaelic School for events and input on facilities to benefit all children on the campus
- We want to consider how to get involved into the Eco Parents Group Gaelic used to run. One area of working together would be more planting on the fence to St Andrew's Drive
  - **ACTION – how to take this forward ?**

**Date of next meeting – 18<sup>th</sup> May, online**
